

Tenth Straight Win For Toreadors

Boone Club Stops Newton, 6-2

The Toreadors won their tenth straight game Thursday . . . a 6-2 Central Iowa Conference verdict over Newton on the Memorial Park diamond.

It's the third straight C.I.C. win as the locals continue their bid for a second straight undisputed title. Newton is now 7-2 overall and 3-2 in the loop. They had earlier dropped a 1-0 C.I.C. decision to Ames.

Dick Sapp's 2-hit pitching, an 11-hit offense and a game-ending

triple play highlighted the win before a fine home crowd.

Sapp allowed just a double to Roger Simpson in the fourth inning and a single to Bob Krueger in the seventh. He walked only 2 men and fanned 7.

The righthander was in command most of the way. At one time, he retired 8 straight men and on another occasion had a string of 7 straight outs.

Sapp was really in trouble just twice and once it wasn't completely his fault. Two errors sandwiched around Simpson's double gave the Cards their two runs in the fourth inning.

THE ERRORS put two of the 3 runners on base and that wasn't Sapp's mistake. He did allow the two baserunners to score however . . . one on a wild pitch and the other on a 'steal' of home.

The other Card threat, the one in the seventh inning, was killed by that fine Toreador triple-killing. Sapp walked the leadoff batter, Dave Clement, in that frame and Krueger followed with his single.

Walker, a pitch-hitter, then bounced an infield grounder to shortstop Kelly McMullan near the second base bag. McMullan stepped on second, fired to first

JACK TEAGARDEN

RON NUNN

and when first sacker Hal Lyness saw Clement coming around third in an attempt to score from second on the play, he fired a perfect strike to catcher Jack Teagarden and they had Clement out at the plate.

Boone scored in 4 different innings. In the first frame, McMullan led-off with an infield hit and later scored on a long single by Teagarden.

In the second, Ron Nunn beat out an infield roller and later scored on Denny Behn's double.

In the third, Sapp's single and an error put a pair of men on base. Sapp scored on a groundout by Rick Neely and the other runner scored on a passed ball.

In the sixth, Boone collected 3 straight hits leading off. Nunn doubled. Gary Eckley singled and Behn socked a one-baser. Nunn actually came all the way around the bases on his two-bagger. He made two bases easily and attempted to go three. A bad throw to the third baseman got away and Nunn went on home.

ECKLEY scored the other marker that frame on a single by Teagarden.

Sapp, Teagarden, Nunn and Behn had 2 hits each for Boone.

Coach Jim Eversman of Newton said the Toreadors were the quickest team his clubs had ever faced and they did use their speed to good advantage during the contest.

Boone coach Bill Sapp wasn't especially impressed however. Some of his club's extra-curricular antics upset him a bit. He

Boone	3	0	1.000
Newton	3	2	.600
Marshalltown	2	4	.333
Grinnell	1	5	.167
Oskaloosa	1	5	.167

commented, "Some of these boys are getting a little too big for their britches and I'm afraid our winning streak may come to an abrupt end one of these nights unless they settle down a bit." The Boone club is at Fort Dodge this Friday at 6:00 p.m. and will host Grinnell Monday at 7:45 p.m.

Sapp is making an effort to reschedule some of the team's rained out games. The Toreadors will play at Grinnell July 8 and at Newton July 11.

There are still non-loop games with Saydel and Fort Dodge St. Edmond's to make up too and the St. Ed's game is tentatively re-set for July 24.
